

# *Bereavement Counselling Techniques – Tools to help the Grieving Person*

*Presenter: Dr. Nelia Drenth (Social worker in Private Practice)*

***“It is not a question of what grief therapy techniques do for a bereaved client; it is a question of what bereaved clients (and therapists) do with the techniques that counts.”***

(R. Neimeyer, 2012:3).

*Come and join us at this interactive workshop where we attend to Bereavement Counselling Techniques. You will experience how the techniques are applied in practice. Summarized notes are provided. We hope to see you there!*
